How your walk will make a difference

GET TO YOUR FEET AND JOIN THE MOVEMENT!

FACTS & STATS

BRAIN CANCER KILLS

more children in Australia than any other disease and more people under 40 than any other cancer

EACH YEAR about

1,600 people are diagnosed with brain cancer

1,200 people die from brain cancer

Lack of effective treatment options means **ONLY 2 IN 10 WILL SURVIVE BRAIN CANCER FOR 5 YEARS**

YOU'RE HAVING A REAL IMPACT

THE FUNDS YOU RAISE MATTER

YOU'LL HELP TO FUND

The entire research pathway and **ACCELERATE TREATMENTS** from the lab to patients

World-class **RESEARCH PROJECTS** with collaborations

INNOVATION GRANTS to attract brilliant minds into brain cancer research

ADVOCACY to give the brain cancer community a voice

Bringing world-class clinical trials to **AUSTRALIAN PATIENTS** so they can access these promising treatments as they become available elsewhere in the world

OUR \$20M COMMITMENT to the Australian Brain Cancer Mission

WALK4BRAINCANCER BY NUMBERS

40 WALKS across Australia

12,000 WALKERS each year

60,000 KMS walked each year

That is **1.5 TIMES** around the earth

More than **\$2 MILLION** raised each year
